Potential New Member Grade Checks

The student record policy of The College of New Jersey conforms to the Family Educational Rights and Privacy Act of 1974, as amended ("FERPA"). Copies of the law may be found in the Office of records and Registration. In accordance with FERPA, The College may disclose information from the educational records of a student provided The College has written consent from the student on file. As indicated by my signature below, I hereby give permission for the Office of Student Activities to verify my grade point average and report to the chapters of the Inter Greek Council whether I am academically eligible to join a Greek letter organization. This authorization will terminate one month after my dated signature.
